At Camp Restore, we feed and house volunteers as well as coordinate work projects. We serve the city of New Orleans with community and construction projects. You may find yourself hanging drywall or planting in the wetlands. You may help with a local senior center or play with kids. No matter your age or skills, we can find a place for you to serve!

At Camp, you'll get a taste of authentic New Orleans cooking from Red Beans and Rice to Gumbo. We provide hot breakfast, sack lunch, and hot dinner for volunteers.
